Nostradamus -- Who was this man really? Should we not ask ourselves from where he drew such knowledge, a knowledge of events hundreds of years before they took, are taking and will take place? Is it possible that he was privileged and, perhaps chosen to provide mankind with the knowledge of what to expect? Could it be, that the pattern of events is pre-determined by Divine Power, shaping the destiny not only of the world but of all human beings? Or do we, rather decide our own future and create our own destiny? This is a book which touches many aspects of life. The reader will be introduced to Dreams with a prophetic meaning, in discovering the 'Secrets of Sleep' and 'Why do we sleep?' When following this new approach, intuitive channels open, which leading us to the explanation of the Soul and Spirit, that lie within us all so vital for our overall wellbeing. This is an informative, true valuable source for all who search for a greater understanding in 'what is it, that makes us human?'
